

About the Evidence Based Research filter

(Information updated August 2022)

This filter is designed to discover **systematic reviews and meta analyses**.

We have consulted with the following information professionals:

Douglas Grindlay formerly of the Centre of Evidence Based Dermatology, University of Nottingham, UK

Mellanye Lackey, Director, Health Sciences Library, University of Nevada Las Vegas, USA

Gillian Petrokofsky, Oxford Long-Term Ecology Laboratory, University of Oxford, UK

Erik Fausak, Carlson Health Sciences Librarian (Veterinary focus), University of California, Davis

The Evidence Based Research filter is run behind the scenes on our production databases to tag records. It is amended periodically, following professional advice.

The search behind the filter combines the following searches with 'OR' :
